

GOOD FORTUNE

Not all nail salons are created equal. To wit: Zen luxury nail and beauty bar in Frisco takes the mani-pedi seriously. Think Chanel nail polish, organic products, a relaxation room, VIP suite for two and pots of piping hot Tay green tea, exclusive to the spa and possibly the best tea to ever pass your lips. Owner Mai Wong's posh Asian nail den focuses on relaxation and detailed service. Here, walk-ins are always welcome. "I wanted to create a place that my girlfriends would want to come to," says Wong. Well worth the tolls, clients drive from all over DFW for Ultimate Zen pedicures, facials, hair removal, acupuncture and other services. There's even an in-house hair salon. And while you're waiting for the paint to dry, Zen will send your car to be washed. Meditate on that! 1377 Legacy Dr., Ste. 110, Frisco, 214.618.4936. —J.B.
